

Coach to many of the world's top CEOs, philanthropists, and entertainers, Tom Oliver has shared his secrets on leadership, innovation and creativity with Bono, the Dalai Lama, Deepak Chopra, and **Richard Branson**. Tom has worked with **CEOs of Fortune 500 companies**, the world's most notable business leaders and the best global brands from **Johnson & Johnson to Pepsi and Google**.

High in demand as a global keynote speaker and consultant, **Google HQ** in Silicon Valley invites him to coach leadership, the **World Bank** seeks his business advice, the **European Parliament, the United Nations, Austria and China** invite him to speak to world leaders. **"Fabulously placed to inspire those around him to learning whole new levels of solutions"** (**Google HQ**), Tom's expertise is sought after by the **premier financial institutions** such as the World Bank, the **best business schools in the world** from the Manchester Business School to the **Kellogg School of Management**, **political powerhouses** like the European Parliament and the UN, **heads of state from Austria to India and China** and the world's **cutting edge multinational corporations** from **Puma to Johnson & Johnson, PepsiCo and Google**.

Termed **"one of the world's best experts on leadership"** (Wharton School of Business), Tom is also a **Visiting Professor of Innovation, of Change Management and Digitalization and of Human Resource Management**. He is a world-renowned authority on **disruptive innovation** and **holistic thought leader** at some of the best business schools in the world. Tom **founded the Global Leadership Circle at Manchester Business School** while contributing to its being ranked as **one of the top international business programs (Full-time MBA ranked #4 in the world for ROI by Forbes)**.

Tom has been called **award-winning "role model for the modern global social entrepreneur"** (Peggy Dulany **Rockefeller**). Tom founded the World Peace Foundation and World Peace Festival (WPF), which have been supported by business leaders like **Richard Branson**, and Nobel Peace Prize Laureate **Desmond Tutu** has called the WPF **"the most influential peace gathering in history"**. Tom started the **World Peace Foundation** based purely on a vision and starting a network from scratch. **Practical global leadership in action**, Tom then grew it into a **global movement**, thereby uniting - for the first time in history - the most diverse group of world and business leaders around a shared cause. The **Dalai Lama** has called the World Peace Foundation **"a global community of millions of people who take an active stance for peace"**. The WPF was named **"Best practices and innovations in individual philanthropy and social investment around the world"** by the Synergos Institute, New York, which was founded by the **Rockefeller** family and also presents the David Rockefeller Bridging

Leadership Award (past recipients include **Ted Turner, Bill Gates, Kofi Annan, Richard Branson**).

Tom has been **awarded lifelong seats** in some of the **most influential think tanks** of our time, together with a wide range of bestselling authors, **Nobel Laureates** and **Heads of State**, including The World Business Academy in the US. Praised as “a **coach to many of the world’s most notable philanthropists, entertainers and CEOs**” (McGraw Hill Professional) and achieving “**highest ratings for his keynotes and workshops**” (**Pepsico**), Tom has perfected a **unique and accelerated method of maximizing personal, leadership, and business potential**.

Called “**an extraordinary leader**” by **Deepak Chopra**, Tom is the **author** of the global **McGraw Hill publication “Nothing Is Impossible”** that has been endorsed by business leaders from **SAP to Ebay and Google**, and **self-made billionaires from Africa to the US**. Tom is also the co-author of the “**Encyclopedia of Global Environmental Governance and Politics**”. This **comprehensive reference volume for the next decade** provides practical solutions to the sustainability challenges in the next 5-10 years and has been called an “impressive array of contributions written by leading scholars” (**London School of Economics**).

Also a “**legendary singer & songwriter, music producer and live performer who has headlined many of the biggest music festivals in the world**” (Riviera Buzz, France), Tom has been called “**one of the most creative people on the planet**” by the masterminds behind **Barack Obama’s** multi-award winning viral “Yes, we can” campaign. The world’s best creative agencies from **Saatchi & Saatchi** to **Interbrand** have named Tom “**a gateway to millions of next generation trend setter and early adopters**” and “**an expert on understanding the Millennial Generation** and the hearts and minds of consumers below 30” (Interbrand - “Best Global Brands”).

Tom is also a **passionate surfer and kitesurfer**. Tom speaks **5 languages fluently** and divides his time between the South of France, Germany and New York.
